BuiltQuik Client Scope

- Design Phase
- Frame Supply: Supply and Installation

Project Builder

BMB Builders + Local Subcontractors

Description

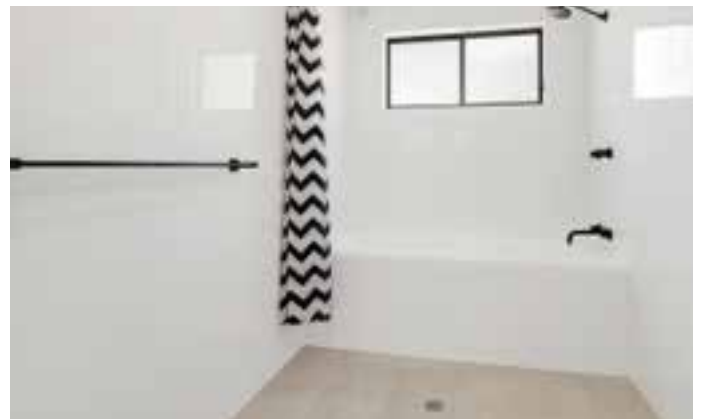

Design Phase Architectural Co-design and Structural Engineering, Frame Installation and Trade support for local subcontractors.

BuiltQuik Frames were installed with the support of local community based labourers, helping rebuild their own homes!

The BuiltQuik frame can be fit-out with various studwork materials, or infill wall panels.

Custom Floorplan, Bathroom and finishing material choices by customer.
